RoHS Compliance Verification Statement

Universal Lighting Technologies (ULT); is among the members of the NEMA voluntary call to action for RoHS compliance. This voluntary action is an open recognition to move forward with RoHS standards even without legislation pushing the conversion.

ULT can certify compliance to RoHS Level 3 across all Product Lines.

RoHS is the restriction of the use of certain hazardous substances in electrical and electronic equipment. The restricted substances for Level 3 are Lead, Mercury, Cadmium, Hexavalent chromium, Polybrominated biphenyls, Polybrominated diphenyl ethers, Bis(2-ethylhexyl) phthalate, Butyl benzyl phthalate, Dibutyl phthalate, Diisobutyl phthalate.

This letter certifies to the best of our knowledge that all product lines listed below comply with the RoHS Level 1 standards as of **December 2020**.

Sincerely:

Chris Holstein
Vice President of Product Management
