

WSW-VANDAL - Dialog 1-Button Vandal-Proof switch

Project Name: _____
Part Numbers: _____ Date: _____

Features

- Vandal Proof design
- Connects to Dialog 2-wire bus for Power and Data
- WIR-3110 Programmable

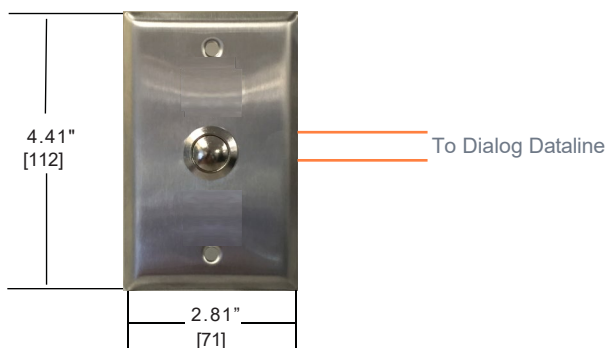

ASHRAE 90.1 Compliant

Dialog® switches are designed to give you flexibility to fit any design. The vandal-proof button can be programmed for ON only, OFF only, toggle, and preset activation. This device is a Dialog data line digital switches also which connects directly to the bus. Dialog switches connect to the network bus via the 2-wire Dialog data line connection for transmission of data and power. Once powered they can be configured via the WIR-3110 to set the target and function of the buttons.

PART NUMBER	DESCRIPTION
WSW-VANDAL	Dialog 1-Button Vandal-Proof switch
